

# SEMA MITIGATION NETWORK IDEA EXCHANGE

Hot Ideas from Proactive Communities  
See an idea you like? Call the person with the details!

## **Bolivar, MO**

Tornado Tom: The Project Impact Steering Committee is putting together a new program to educate the community about tornado safety and NOAA Weather Warning Radios. **Kermit Hargis, 417-326-6610.**

## **Piedmont, MO**

This community recently hosted its annual McKinzie Creek clean up. Some 300 volunteers participated. Several community groups cosponsored. **Tammy Thurman, 573-223-7660.**

## **St. Joseph, MO**

The first city ordinance in the state (as far as we know) that requires trailer courts to have tornado shelters available for residents. **Ed Wildberger, 816-271-4627.**

## **Neosho, MO**

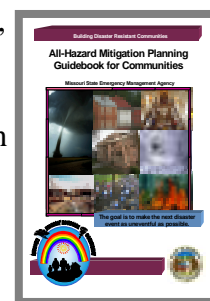

How do you pass a local tax that funds flood buyouts and flood mitigation programs? **Jim Cole, 417-451-8050.**

## **SEMA**

Learn how to develop an All-Hazard Mitigation Plan, become a Missouri Disaster Resistant Community, be nominated for Project Impact recognition, assist a local business to develop a Disaster Continuity Plan and become more disaster resistant.

**Randy Scrivner, 573-526-9212.**

If you have a program that you would be willing to discuss with others in the Mitigation Network, please contact Randy Scrivner at SEMA. Call 573-526-9212, fax 573-526-9198, or E-mail [rscrivner@sema.state.mo.us](mailto:rscrivner@sema.state.mo.us). Thank you!
